

Risk assessment for children / young people to be placed in a home with lone working / single cover policy.

This should be conducted after having consulted Pear Tree's lone working / single cover policy.

Name of child/young person:		Date of birth:	
Address of home placement being considered:			

Please consider the issue listed below to determine whether or not a placement in the above mentioned home is appropriate.

		Yes	No
Does the child/young person present physically challenging behaviour?			
If yes, how frequent is this?			
	Many times a day		
	Daily		
	Weekly		
	Monthly		
	Occasionally		
Does the child/young person require restraining?			
If yes, how frequent is this?			
	Many times a day		
	Daily		
	Weekly		
	Monthly		
	Occasionally		
Has the child/young person a history of making malicious allegations?			
Does the child/young person have age appropriate/satisfactory self care skills?			
Does the child/young person give indication that they are responsive to learning/nurturing?			
Does the child/young person give indications that would benefit from a small group?			
Does the child/young person require constant management to keep themselves, other child/young person, staff and public safe?			
Does the child/young person give indications that would benefit from the ethos of the home?			

Conclusion	H	M	L
Is the risk from physical challenging behaviour			
Is the risk of the need for physical restraint			
Is the risk of malicious allegations			

	Yes	No
Is the proposed/current placement considered appropriate?
